Drive to Thrive Checklist

Before you start collecting, review the donation checklist. Youth and their families shop at our store for free, but most items are sold to raise funds for our critical programs. Call Youth Homes Thrift Shop at 925.798.5561 for clarification. We are here to help make your drive successful!

Identify a collection drop off location and time frame for your drive. It could be a staff room, reception area or even your garage. Decide on your collection days - don't limit to just one day.

Customize the social media template and poster and use them to publicize your drive to colleagues and friends.

Where possible, pre-sort donated items into clothing, housewares, shoes, games, etc. Pack everything in clean boxes or bags to make delivery easy.

Call ahead at 925.798.5561 to confirm a delivery time and date at the Youth Homes Thrift Shop at 15b Vivian Drive, Pleasant Hill.

Celebrate your success!
